

Providing Scholarships for students in Kenya

Thank you for providing a scholarship for a student in a Kenyan school. You can be assured that none of your donated money will be used for our administration fees and that your student will receive the full value of your support.

Basic scholarship

Your scholarship donation of \$350 will provide your child with:

- Education for a year at their Kenyan partner school
- School uniform including shoes
- Stationery and exercise books
- Exam fees so the student can sit exams each year

Basic scholarship plus food support

Your scholarship donation of \$570 will provide your child with Basic scholarship benefits and food, providing your child with lunch every day at school. At school's that don't provide lunch, your support goes directly to the family for food supplies.

Global School Partners (GSP) pledge is that 100% of your donation goes directly to the family/school for the purpose intended. We encourage you to build the relationship by writing an introductory letter to your child – send to simon@globalschoolpartners.org.au.

Scholarship donations may be paid annually or monthly by:

1. Logging onto our website to the 'Donate' tab and pay via PayPal or credit card – www.globalschoolpartners.org.au
2. Direct deposit into the GSP bank account

Your scholarship commitment is for 12 months at a time, after which Global School Partners will invite you to continue your support of your sponsor student.

Note: Scholarship donations to Global School Partners are tax deductible and you will receive a DGR receipt.
