Students, parents, teachers and friends all welcome.

**Date:** Friday 14 June

**Time:** 6 for 6.30 to 8.30pm

**Venue:** Holy Trinity Primary School, Curtin

For [more information](#)

## Young women's program at St Gavin's Academy

GSP Young Women's Program aims to keep girls in school with support for those reaching puberty. Many of these girls miss a week of school every month. GSP supports the girls with an education program, mentoring and sanitary products, facilitated and delivered by GSP Program Officer in Kenya, Lonah Maiko.

"The program has made such a difference for the girls who now don't miss school. We have seen an 88% reduction in absenteeism and the girls have so much more confidence" says Lonah Maiko – GSP Program Officer.

GSP would like to thank the Rotary Club of Balwyn for supporting this program in 2019. We are seeking supporter(s) for 2020 so that this initiative can continue to help these young women. Contact [Simon @ GSP](#).

## St Gavin's Academy receives new text books:

The Kenyan government has released a new curriculum and all schools needed new text books. Last year GSP was able to fund new books for our schools in Kisii County and in March this year we were able to do the same for our schools in Nyamira County. Now all our schools have the right text books up to year 3. Each year the curriculum progresses so next year we will need books for year 4 and so on.

GSP is proud to partner with Terroux – a beautiful Murrumbateman estate. Join us and enjoy Terroux's beautiful display gardens just 20 minutes from Canberra.

Don't miss - Beautiful gardens, breathtaking views, school bands and choirs, plus GSP's refugee tent experience.

On Sunday evening 4-6pm we will have a musical soirée with canapes and wine to raise funds for text books for GSP schools in Kenya.
